A letter from our Pastor

Pastor Robb Brunansky

As we begin a new year, one of the most important disciplines we can develop is regular Bible reading. Too often, however, people who begin reading will find it difficult to sustain as the year progresses. How can we develop a consistent appetite for reading God's Word? And when we read it, how can we find our lives transformed by what the Bible says? I am excited to share what God's Word says about itself as we gather for worship this Sunday.

Joyce Kelly - Beth (Joyce's daughter- long standing member of DH) was taken to the hospital with 104 fever and admitted. Vic needs prayer for his body to fight the virus. His oxygen was lowered but there was talk of placing a feeding tube to get him the medicine and nutrients he needs.
