A letter from our Pastor

Pastor Robb Brunansky

Riches and power entice the world, and people of the world are willing to do virtually anything to obtain them. As Christians, however, we have the ability to see the emptiness and vanity of worldly riches and power because we serve a God who is rich in divine glory and power. He has promised to strengthen us with His power according to His glorious riches, but how can we receive that promise? We'll begin to consider that this Lord's Day as we return to our study of Ephesians. I look forward to our time together in God's Word!
