## A letter from our Pastor

*by Kevin Barrett*

God's love is not dependent on anything we can offer Him, nor is it dependent on us first loving Him. God's love is perfect and unrestrained. We can have faith in God's love because His love is unmoved by anything we can offer Him. God has made us perfect in love through the sacrificial death of Christ. May we walk in the light of Christ and love through our faith in Him.
