A letter from our Pastor

by Robb Brunansky

This Lord's Day we begin a study of Ephesians 2:11-22, a new section in this magnificent letter that describes and defines the unity we have in Christ. I'm always amazed at how relevant and timely God's Word is as we study it together verse-by-verse. Whether you are joining us online this week or gathering with us in person, my prayer is that the Word of God would refresh your soul, lift your heart, and give you joy.

Prayer Request and Praises

Dennis Davidson has been admitted to Boswell Hospital for pneumonia. Please keep him in prayer for a quick recovery and his wife, Ruth, as she is unable to visit him in the hospital due to COVID.

Jim Collins has been experiencing excruciating hip pain. Please pray relief for his pain and that he can get scheduled for surgery in God's perfect timing.

Nancy Simmons was admitted to Banner Thunderbird on Friday morning due to weakness and abdominal issues. Please keep Nancy in prayer as she will be receiving a diagnostic endoscopic surgery.

The Rasmussen's son Josh and his wife Rachel delivered their son stillborn on Saturday, July 25. Elijah James was born without a heartbeat, although he was fully developed and active the day before. This is obviously a shock to them all and they are asking for prayer as they walk through the grief of this unexpected loss.
